

## How to Upload Documents/Photos into VirtualCare

This guide will support you in uploading documents/photos into VirtualCare.

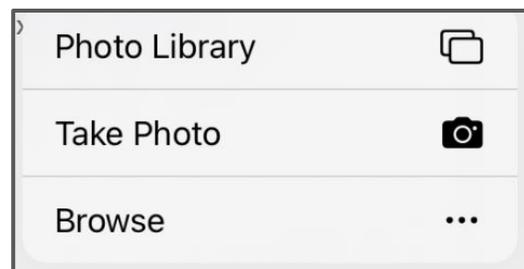

- ❑ Sign in to VirtualCare
- ❑ Request a visit
  - ❑ After you have selected the resident in the next step In you will have the option to add photos or attachments, **click “Add attachment”**.

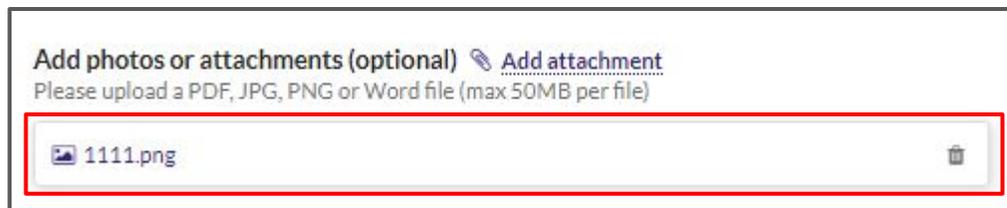

- ❑ **On a Laptop** your File Explorer will open for you to select the item you would like to upload and **click “Open”**.

- ❑ **On an iPad** you will be provided with the option to attach from your Photo Library, Take Photo or Browse to explore files on the iPad.

- ❑ You have successfully uploaded your attachment/photo!

**Note:** Attachments can also be added through the virtual visit chat for the specific resident visit. By using the paperclip icon you will be able to complete the steps outlined above.
